## Financing for the Course

Ask friends and family to contribute to tuition, perhaps in trade for future Permaculture consultations and design work.

Apply to the Permaculture Credit Union for a low-interest permaculture student loan.

Loans are issued in as little as a day once the required information is faxed.

For details, call toll-free (866) 954-3479 or go to [www.pcuonline.org](http://www.pcuonline.org).

Boulder Gaians, our new local currency, will also be accepted for tuition.

**For more information**, please call Sandy at (303) 459-3494.
